

## myPLTW Whitelist Requirements

To ensure your schools has continuous access to myPLTW, the following websites and IP address should be added to your school's whitelist. In most cases, you will need to work with your IT department to have these added to your whitelist.

- \*.pltw.org
- pltw.auth0.com
- \*.cloudinary.com/
- \*.pubnub.com/
- pltw.instructure.com
- pltw.netexam.com
- 13.111.0.129

If needed, you can also whitelist the IP addresses provided below. Please note that you **must** still whitelist the URLs listed above if you choose to also whitelist these IP addresses. These IP addresses represent the various platforms, including Salesforce, AuthO, Heroku, and Cloudflare, used to deliver the tools and services offered through myPLTW.
