PROJECT LEAD THE WAY

Are You Earning Transferrable College Credit for Your Project Lead The Way Engineering, Biomedical Science, & Computer Science Classes?

If you earned a 6 or greater on the End of Course Assessment, you are eligible to apply!

FAQ's:

1) How many hours of college credit do I earn?

You can apply for 3 s.h. of credit for each PLTW class that you score a stanine of 6 or better. The one exception is PBS.

2) How much does college credit cost?

Each 3 s.h. course is \$150.00. The 1 s.h. Principles of Biomedical Science (PBS) course is \$75.00.

3) I do not plan to attend the University of Iowa. Can I still get credit?

Yes-the college credit is transferrable and is usually transferred into your college of choice as elective credit. We recommend you check with your college to see how it transfers.

4) I took a PLTW class during the 2016-2017 school year and I scored a 6 on the End of Course Assessment. Can I get college credit for a course I took last year?

Yes! It is retroactive. The University of Iowa will allow students to go back one year and earn transferrable transcript credit. The deadline to apply for a class taken in the 2016-2017 school year is July 1, 2018.

University of Iowa Transferrable College Credit for PLTW ENG Courses:

- Introduction to Engineering Design (IED)
- Principles of Engineering (POE)
